

TASIS THE AMERICAN SCHOOL IN ENGLAND

July 19, 2017

Dear Parents and Guardians,

Re: OFSTED—SCHOOL PROGRESS MONITORING REPORT

The School received an Ofsted inspection visit on June 8, 2017. Its purpose was to follow up on previous Ofsted visits and to check compliance with the Independent Schools Standards.

The inspector was very positive in the feedback meeting, but we were required to wait until the official school progress monitoring inspection report was received before we could formally share the results. I am very pleased to enclose a copy of the report, which is also available on the [TASIS England website](#) and on the Ofsted website.

I draw your attention to the overall outcome noted on page 4 of the inspection report, which states that the School meets the requirements of the Independent School Standards and associated requirements that were checked during this inspection.

The TASIS England administrative team, faculty, staff, and I are very pleased to receive this report, which confirms the significant work and progress made since the initial Ofsted inspection.

If you have any questions regarding this report, please do not hesitate to contact me via the Head of School's PA, Kathy Weldin on kweldin@tasisengland.org.

Yours sincerely,

Bryan Nixon
Head of School
